Beginning August 4, 2016 at 9am, you will be able to register your vehicle online at www.police.msu.edu and purchase a lot 92 permit for Fall 2016 and Spring 2017 combined. Opting to obtain your permits online, will help you avoid the long lines at the Parking Office and save you valuable time. Your permit privileges are not valid until your permit is properly affixed to your windshield so be sure to allow for mail and processing time when you register online. You may park complimentary in the pay lot on campus from August 19-30, 2016 while waiting for your permit to arrive in the mail. You may not park overnight (2am to 6am) in the pay lots. You may also park 24/7 in lots 91, 89, and 83 without a permit during the summer semester. If a lot is being reserved for a special event then you would have to pay the special event fee in order to park in it.

Vehicles operated or parked on MSU property by MSU students must be registered with the Parking Office. Visa, MasterCard, Discover, American Express, and Online Checking are accepted methods of payment. The permit to register your vehicle will allow you to park either in lot 89 (located on the corner of Farm Lane and Mt Hope Road) or in the lot determined by your on-campus residence. You may also use pay lots 62W, 79, 100 and Ramp 3 (Wharton Ramp - visitor section) and pay the hourly rate. As a 1st or 2nd year Vet Med student you may choose to register your vehicle only or you may opt to register it AND purchase a special parking permit for Lot 92.

1. **Pay to register your vehicle only** and park in the lot that you registered for. The cost to register your vehicle will vary depending on your residence. The cost for a commuter permit for those living off-campus is $103. A permit for those living in Spartan Village or University Village will cost $127. The minimum fee is $127 for those living in the residence halls. You may choose to buy a permit for a lot closer to your residence hall for a higher fee, depending on which residence hall you live in. Residence hall permits are sold on a first come, first serve basis, as space is limited in the lots. You may check at http://police.msu.edu/management-services-bureau/parking-office/student-permits/ for more information. If you have a current and valid commuter, Spartan Village, or University Village parking permit then you may pay a discounted rate of .50 per half hour to park in pay lots 62W, 79, 100, and the visitor section of Ramp 3. Without one of these permits the cost is .90 per half hour.

2. **Pay a rate of $169 per semester** in addition to registering your vehicle (as described in #1) and park in Lot 92. If you choose to park in Lot 92 (which is located south of the Veterinary Clinical Center on Service Road), then you must purchase a special parking permit at a cost of $169 per semester. If you live off-campus the cost to park in Lot 92 will be $441 ($103 + $169 + $169) for both Fall and Spring semester. Permits sold online are for both semesters. You may call the Parking Office for the rate if you live on campus.

If you choose to wait in line rather than purchasing your permit online, permits for Fall 2016 will be sold in the Parking Office beginning on August 15, 2016. You must have your MSU pictured student ID and a copy of your current vehicle registration with you when you register in person. Lines will be long so allow yourself plenty of time.

Please Note: At times parking spaces and/or areas may be reserved for special events, and an additional fee will be charged. For example, permits for Lot 92 are not valid on home football game days as the lot is reserved for the event on those days. If you choose to park on campus during home football game days, then you will be charged the special event parking fee in order to do so.

**Questions? Call the MSU Parking Office at 517-355-8440, Mon-Friday, 7:30am until 4:45pm.**
